## **Urologic Robotic Surgeon | On-Air Health Expert**

### **BIO:**

**Dr. Jamin Brahmbhatt is a board certified urologic surgeon and Assistant Professor of Urology at UCF College of Medicine. He is an active member of several professional healthcare organizations including the Florida Urologic Society's executive board. Dr Brahmbhatt is a TEDx speaker, on-air health expert , Top 40 under 40, and recipient of numerous patient choice awards. He routinely serves as an expert for tv and print publications including NBC, Fox News, USA Today, Men's Health Magazine, and Reader's Digest. He is co-founder of the Drive 4 Men's Health, a nonprofit public engagement campaign that has encouraged millions of men to eat better, get active, and engage in preventative medical screenings. He speaks on topics including physician burnout, improving quality of healthcare, men's health and inspiring our future generations.**
